Dear Oleg and Roman,

As we hope you know, on Tuesday, November 27, 2007 the Bucks-Mont Katrina Relief Project Chairs hosted a reception at the Cock 'n Bull in Lahaska. The purpose of that reception was to thank all of the people who supported the Child Development Center constructed in Bay St. Louis, MS by the Bucks-Mont Katrina Relief project. We are all sorry that you were unable to join us for the evening. We sincerely hope your absence was by choice or necessity and not because the invitation did not reach you. If the latter is true, we all apologize, because we certainly would have enjoyed your company.

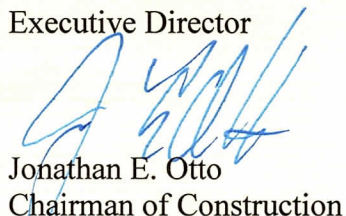

Almost half of the over 100 individuals and companies who contributed money and gifts in kind were present with us on Tuesday. Had you been with us we would have presented you with the enclosed plaque as a symbol of our appreciation for the help you gave us. Please accept it now with our thanks. You have reason to be proud; together we created a 10,000 square foot building valued at over \$1,300,000 which now serves 132 children and a staff of 16.

Thank you for being a part of this effort. Thanks for caring.

Sincerely,

Grover Friend
